

HOW TO SUCCEED ON PURPOSE

Steadily I will stay the course.

Each day, I will commit to my desired outcome.

I will remain consistent in my pursuit for excellence.

I will devote my energy, my focus, and my time.

I realize, to whom much is given, much is required.

I have received the challenge of my purpose.

**I understand many sacrifices are necessary,
but eagerly I look forward to my growth and transformation
as a result of this journey.**

Nothing shall hold me back.

**I will feed off of my past accomplishments and face defeat
daily with confidence and certainty.**

My intentions shall remain strong and sure.

My faith in God/Universe is my foundation...

I will establish habits that elevate my mind and spirit.

I will prepare and make room for my future success.

I EXPECT to reach my destination.

I SHALL SUCCEED ON PURPOSE!!!
